

Meeting/ Dialogue with Royal Malaysian Customs Department on Sales and Service Taxes

STA Furniture & Other Woodworking (F&WW) Category Committee with the assistance of the SST Working Group organised a Meeting/Dialogue with the Royal Malaysian Customs Department (RMCD) on sales and Service Taxes (SST) at Wisma STA on 11 October 2018.

The Meeting/Dialogue attended by 20 participants from STA F&WW Category as well as other furniture and furniture – related companies.

Officers from the RMCD provided a brief explanation on some administrative requirements pertaining to SST particularly in classification of goods in terms of the applicable tariff codes and sales tax rates, SST compliance procedures and requirement, definition of manufacturing activities, valuation of goods for calculation of sales tax and procedure to apply for sales tax exemption.

Participants also took the opportunity to seek clear guidance and technical assistance directly from RMCD, particularly in addressing SST issues related to the furniture businesses.
