

Precautionary Measures of Novel Coronavirus (COVID-19) at Wisma STA

In light of the COVID-19 pandemic, the Management of Wisma STA has taken the following precautionary measures for all tenants and visitors entering Wisma STA:-

- (1) Carrying out compulsory temperature screening at the lobby at Level 1 and entrance from car park at Level 2 effective 16 March 2020. Those found to have temperature of 37.4°C and above will not be allowed to enter Wisma STA and shall required to complete a form.

The door access from car park at Level 2 is only accessible from 7.00 am to 9.00 am, 12.00 noon to 2.00 pm and 4.00 pm to 6.30 pm.

- (2) Providing hand sanitizer dispensers at the common area (a) of lift lobby at Level 1; (b) between door entrance from car park and spiral atrium at Level 2; and (c) of STA offices at Level 3, 4, 10 and 11.
- (3) Thorough cleaning and disinfection on periodical basis by the cleaners at common areas and shared facilities of the building such as lifts, toilets and lobby.
- (4) Displaying advices from the Ministry of Health on COVID-19 in both Bahasa Malaysia and English at the common areas.
- (5) Advising tenants to postpone large scale events until the situation improves in line with policy directive issued by the State Disaster Management Committee.
